### DE:

Der Stoff Ihres Sitzes neigt naturgemäß zum Pilling. Dies ist kein Mangel, sofern:

- Die Fusseln leicht entfernt werden können oder sich mit der Zeit auflösen,
- Die Anzahl der Fusseln die Ästhetik Ihres Produkts nicht wesentlich beeinträchtigt.

Ein Sitz verändert sich im Laufe der Zeit ganz natürlich in Form und Aussehen durch Einsinken oder Verschiebung der Polsterung. Um das Volumen Ihres Produkts zu erhalten und die Abnutzung gleichmäßig zu verteilen, wird dringend empfohlen:

- Die Kissen regelmäßig zu wenden, sofern möglich,
- Die Sitzflächen unmittelbar nach längerer Nutzung glatt zu streichen und die Kissen leicht zu massieren, um das Volumen wiederherzustellen.

Jegliche Veränderung des Produkts liegt in der Verantwortung des Kunden.

### EN:

Your seat fabric will have a natural tendency to pill. This is not a defect if:

- Pilling can easily be removed or fade over time,
- The number of pills does not significantly affect the aesthetics of your product.

A seat will naturally change shape and appearance as the padding sags or shifts over time. In order to prolong the shape of your product and evenly distribute wear, it is strongly recommended:

- Turn the cushions over regularly, if possible,
- To smooth the surface of the seats immediately after prolonged use and to massage the cushions to restore their swelling.

Any modification of the product engages the responsibility of the customer
