

### Food kept juicy, food kept hydrated

6000 TwinTech® No Frost fridge-freezer protects flavours in every ingredient. It's dual cooling system ensures the freezer stays frost-free and the fridge humidity optimal preventing the food from drying out.

## Product Benefits & Features

### TwinTech® No Frost - keeps food juicy and hydrated

TwinTech® No Frost has an advanced dual cooling system for the fridge and freezer. This technology ensures the freezer stays frost-free and the fridge humidity optimal, preventing the food from drying out.

### New-era innovation. Unique fridge-freezer with recycled plastic

A new era of cooling is here. Introducing our fridge-freezer with an inner lining made of 70% recycled plastic. Plastic from discarded fridges is used to make new ones, helping reduce waste through circularity.

\*Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic"

### The next level of fridge capacity - MultiSpace

The MultiSpace fridge by AEG provides more capacity than standard designs by incorporating additional storage into the top of the unit. And with an adjustable interior, this fridge is the most versatile way to preserve ingredients.

### Stable, even temperature and humidity, with MultiFlow

MultiFlow protects food quality by maintaining stable, even temperature and humidity. Multiple air channels in the back wall actively circulate cold air to reach every corner and allow storage in the back without the risk of freezing items.

### Adaptable for every taste, with CustomFlex®

Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. With CustomFlex® you can organise your fridge storage just the way you want. Rearrange bins quickly and easily to maximise storage space. The fridge that adapts after your taste.

- Fridge freezer with interior lightning: Luna – 1 top
- 1894 mm built-in height
- CustomFlex® - Flexible storage solutions
- NoFrost: No more defrosting
- TwinTech®
- Ecometer for a sustainable consumer behavior
- Over 80% of the material used in refrigerators is recycled at the end of the product life cycle
- Susegana certification of 100% recyclability of all waste
- New built-in series achieves -20% CO2 compared to previous models
- 50% fewer assembly steps compared to previous models
- ProFresh
- MultiAirFlow Technology
- Freezer with Frostmatic function for rapid freezing
- Fruit and vegetable drawers: None
- Refrigerator shelves: 4 Full Width, White Plastic
- Freezer drawers: 3 Full Width, Transparent Plastic
- Flexi-Space: removable glass shelves in freezer compartment
- Automatic defrosting of the cooling compartment
- Door hinge right, reversible
- For fully integrated, slide door installation
- Electronic touch controls with digital indications
- Audible and visible warning signal for open door
- 3 Accessory

Product Specification

Product Number Code	925 954 005	Gross weight, kg	66
EAN	7333394063065	Net weight, kg	64
EPREL Registration Code_E20	1945447	Package height, mm	1950
Energy efficiency class (EEC) (E20)	E	Package width, mm	590
Annual energy consumption (EL), [kWh/y]	215	Package depth, mm	600
Total Volume (l)	269	Weight (g) of Corrugated Cardboard	0
Total Unfrozen Volume (l)	207	Weight (g) of Paper/Carton	10
Storage Volume 4 STAR Compartment	62.4	Weight (g) of Wood	0
Noise Class	C	Weight (g) of Polyethylene (PE)	350
Noise, dB(A) E20	37	Weight (g) of Polypropylene (PP)	70
Freeze capacity (1 digit), kg/24h	5	Weight (g) of Polystyrene (EPS/EPP)	1500
Rising time, h	10	Weight (g) of PU Foam	0
Climate class E20	SN-N-ST-T	Weight (g) of Iron/Steel	0
Height, mm	1884	Weight (g) of Rubber	11.5
Width, mm	546	Country of origin	IT
Depth, mm	549		
Built in height, mm	1894		
Built in width, mm	560		
Built in depth, mm	550		
Main colour	White		
Connected load, W	120		
Volt, V	220-240		
Frequency, Hz	50		
Cord length, m	2.4
