4

This diagram illustrates the fourth step of the assembly process. It shows a main frame (2) with two side panels (5 and 6) being attached. The side panels are connected to the frame using brackets (175 x 2) and screws (150218). A callout shows a close-up of the bracket and screw installation. Another callout shows a screw (100) being used to secure the side panel to the frame. The diagram is labeled with a large red number 4 in the top left corner.
