[illegible]

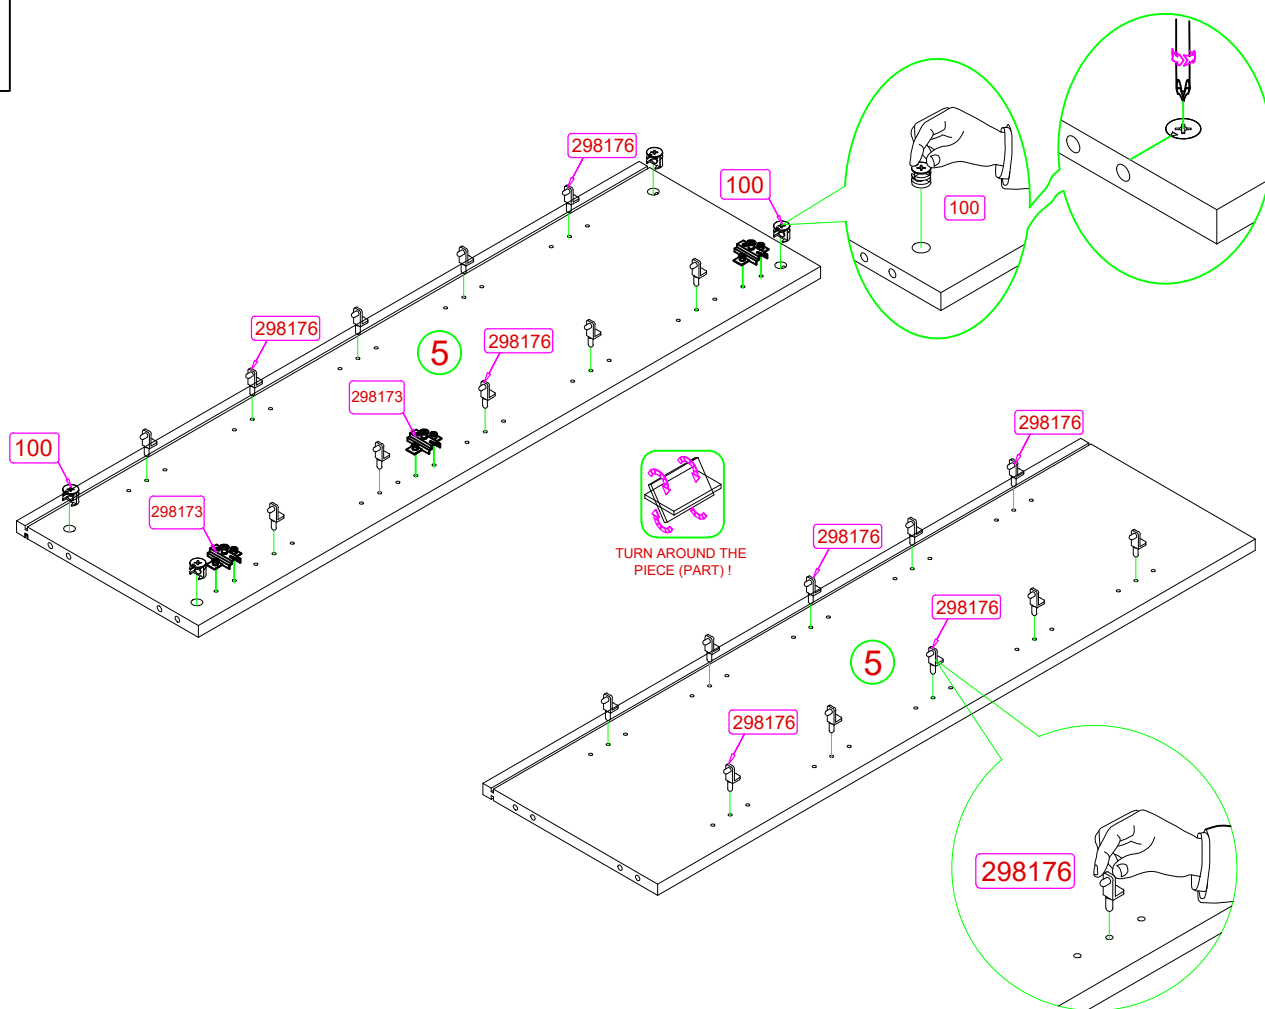

The diagram illustrates the assembly of two rectangular panels, labeled 3 and 4. Panel 3 is shown in the upper half, and panel 4 is shown in the lower half. Both panels are rectangular with a central channel. Various components are attached to the panels, including:

- Component 100: A small, dark, rectangular component attached to the outer edges of the panels.
- Component 298173: A small, dark, rectangular component attached to the central channel of the panels.
- Component 298176: A small, dark, rectangular component attached to the outer edges of the panels.

 Callouts provide detailed views of the assembly process:

- Callout 1: Shows a hand placing component 100 onto the panel.
- Callout 2: Shows a hand using a screwdriver to secure component 298176.
- Callout 3: Shows a hand using a screwdriver to secure component 298173.
