

Food kept juicy, food kept hydrated

6000 TwinTech® No Frost fridge-freezer protects flavours in every ingredient. It's dual cooling system ensures the freezer stays frost-free and the fridge humidity optimal preventing the food from drying out.

Product Benefits & Features

TwinTech® No Frost - keeps food juicy and hydrated

TwinTech® No Frost has an advanced dual cooling system for the fridge and freezer. This technology ensures the freezer stays frost-free and the fridge humidity optimal, preventing the food from drying out.

Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

Internal Electronic Control. For cooling precision

The Internal Electronic Control feature gives you full command of the storage conditions of your food. The LED indicators show you the temperature setting clearly for convenient adjustment and control.

Perfectly fresh food with Frostmatic

The Frostmatic function activates the maximum freezing power, so your fresh produce freezes as quickly as possible. The freezer then returns to its normal setting.

LED lighting illuminates every corner

The internal LED lighting produces a discreet, soft light, shining evenly across the whole space. Plus, LED bulbs are smaller and more energy efficient than standard bulbs – a more sustainable choice.

- Fridge freezer with interior lightning: 1 LED integrated to controls
- 1780 mm built-in height
- NoFrost: No more defrosting
- TwinTech®
- Over 80% of the material used in refrigerators is recycled at the end of the product life cycle
- Susegana certification of 100% recyclability of all waste
- New built-in series achieves -20% CO2 compared to previous models
- 50% fewer assembly steps compared to previous models
- ProFresh
- Freezer with Frostmatic function for rapid freezing
- Fruit and vegetable drawers: None
- Refrigerator shelves: 4 Full Width, White Plastic
- Freezer drawers: 3 Full Width, Transparent Plastic
- Flexi-Space: removable glass shelves in freezer compartment
- Automatic defrosting of the cooling compartment
- Door hinge right, reversible
- For fully integrated, slide door installation
- Audible and visible warning signal for open door
- 3 Accessory

Product Specification

Product Number Code	925 505 336	Gross weight, kg	60
EAN	7333394060408	Net weight, kg	58
EPREL Registration Code_E20	1907800	Package height, mm	1840
Energy efficiency class (EEC) (E20)	E	Package width, mm	590
Annual energy consumption (EL), [kWh/y]	216	Package depth, mm	600
Total Volume (l)	257	Weight (g) of Corrugated Cardboard	0
Total Unfrozen Volume (l)	195	Weight (g) of Paper/Carton	10
Storage Volume 4 STAR Compartment	62.4	Weight (g) of Wood	0
Noise Class	B	Weight (g) of Polyethylene (PE)	350
Noise, dB(A) E20	35	Weight (g) of Polypropylene (PP)	70
Freeze capacity (1 digit), kg/24h	4.5	Weight (g) of Polystyrene (EPS/EPP)	1200
Rising time, h	9.5	Weight (g) of PU Foam	0
Climate class E20	SN-N-ST-T	Weight (g) of Iron/Steel	0
Height, mm	1772	Weight (g) of Rubber	11.5
Width, mm	546	Country of origin	IT
Depth, mm	549		
Built in height, mm	1780		
Built in width, mm	560		
Built in depth, mm	550		
Main colour	White		
Connected load, W	120		
Volt, V	220-240		
Frequency, Hz	50		
Cord length, m	2.4
